III. Call to the audience.

DISCUSSION NOTES	Is the cafeteria <u>equipped?</u> Stage? Is there a reason that we don't use it for performances like Christmas? The venue was not <u>conducive to the performance.</u>
CONCLUSIONS	Our capacity for the cafeteria is only 135 people. It is very difficult to fit everyone in. <u>Hopefully we will be using Santa Rita HS for these things next year.</u>

IV. Reports

DISCUSSION NOTES	Principal's Report
CONCLUSIONS	<p>*Winter performance was well attended. Most of the students came to perform. Continues to be a success in community engagement. We will continue to make adjustments as needed. Food truck needed more staff but was good.</p> <p>*Tree of Hope committee did a great job executing the mission of giving families a holiday. We served 18 families and 52 children, they all got food and presents for the holidays.</p> <p>*We lost a staff member over the break. That brought many communities together. Many attended Stella's service.</p> <p>* Fence Report- It is going to be gone/removed. Community is not happy about the fence, staff was not happy about the fence. Contractor said that it was going to be rod-iron not chain link but was then given orders to do chain-link. Dr. Rodriguez made many phone calls and had people come out to make changes. The side of the building with the doors to the parking lot is still going to be getting a chain link fence.</p> <p>*Marquee needs to be updated but we are waiting on grant money or other ways to get enough money for an electronic one.</p> <p>*First two days back were good, hardly any behavior incidence.</p> <p>*Sensory path was put in hallways one and two for our littles.</p> <p>*Stage curtains will be installed on Monday.</p>
