CONCLUSIONS	He would like a copy of the flowchart.
ACTION ITEMS	
DISCUSSION NOTES	Joseph Morgan asked about drinking fountains out of the playground, and if kids refill their bottles before going out for dismissal.
CONCLUSIONS	He was informed that there are drinking fountains and that students are allowed to use them while they are waiting for parent pick up.
ACTION ITEMS	

IV. Reports

DISCUSSION NOTES	Principal's Report
CONCLUSIONS	<p>Celebrations: 21st Century starting on September 11th Amazing beginning of the school year, signage... Meet and greet and open house were very well attended. Lots of art posted outside the classrooms. Working hard to making advancements in academics, waiting on our grade level for this year, waiting on last years test scores. We have been diligent of making systems, now we are focusing on Tier 1 intervention and focus. Fencing update: We will be getting a fence to close in the south facing doorway so that students cannot exit those doors and end up in the street. All outward facing windows were covered with mirrored tint and it also holds the glass together if the window does get broken. We are in line to get an updated parking lot. A higher fence is also on order. New furniture in library. On the way is an updated system in the cafeteria for the stage. Capital items will not be allowed to be bought with tax credit money after this year. Shauna asked about new turf for the playground. YMCA is providing new blinds for the cafeteria, new holders for the violins on stage, and a case for announcements for parents. Possible: rubber pour for Kinder playground and some water fountains for outside. Character T-shirts for the whole community was denied so the monies will now be used for other items for kindness items.</p>
ACTION ITEMS:	

V. Action Items

ITEM TITLE	Election of new members
DISCUSSION NOTES	We have 3 parents and will need 3 teachers to make a quorum.
RESOLUTION	

VI. Discussion/information items

ITEM TITLE	Tax Credit Report
