DISCUSSION NOTES	Principal's Report
CONCLUSIONS	<p>To update the bond project, we are having the chain link fence raised to the height that the new part of the fence by the bike rack has been raised to. Then the brick in the kinder area will get a rod-ironed top. Nothing will change to the front of the building. The parking lot will not be getting redone. We will be getting a digital Marquee on the wall because the neighborhood doesn't want a standing free one.</p> <p>The library is hot, and we have reached out to the person in charge, but nothing has happened yet.</p> <p>Martha asked if we could get some more handicap spots designated in the main paring lot.</p> <p>Ms. Baltes will look into that.</p>
