DISCUSSION NOTES	Principal's Report
CONCLUSIONS	Fence has not been fixed yet. Was given ETA of winter break and that has not happened. Needed to be approved by the board, it has not been put on the agenda yet. Stay tuned. HVAC outside of Preschool area was vandalized and so the library, an office and one classroom do not have heat. We don't know when they will get fixed. Title 1 monies have not been allocated yet, a meeting will be set for February. With the override we will get a PE teacher and an interventionist. So that will free up some Title 1 funds. We have 3 literacy aides who are currently working with K-3 students and are doing a phenomenal job. We are hoping with the extra money that we can keep them on for next year.
