IV. Reports

DISCUSSION NOTES	Principal's Report
CONCLUSIONS	I wish I had better news, earlier in Oct we had a visit from Dr. Trujillo and he said to be very transparent with our budget, our Title 1 budget is decreasing by 25 to 50 percent. That is academic tutor, Dean and Reading interventionist. We don't know what will happen with the election results but that will only be a band aid on this deficit. Mr. Morgan wants to know if there is a solution. The election would help, the district is also thinking about centralizing Title 1 funds which means that they controls how monies are spent.
