

# Our Classroom News

Ms. M's Kinder GATE

Mid - AUGUST

## Good to Know

- We worked on monster behaviors. Ask your kiddo about what is good monster behavior (thumbs up), what is not so good monster behavior (thumbs sideways) and what is bad monster behavior (thumbs down).

## A Note From Ms. M

- Your students have been working hard.. Please make sure your kiddos are getting a good night's sleep. Kindergarten is very tiring, and our brains think best when we are well rested.

## What's Happening in Kinder GATE!

We are continuing to work on our letters, upper and lowercase. We practice their sound and how to write them the Kinder way

In writing we are continuing to work on drawing people and objects using shapes. Becoming confident artists will help us when we start writing sentences.

In math, we are reviewing number 1-10 and introducing numbers 11-20. Students are learning to represent these numbers in various ways including the numeral, ten frame and a picture.

## IMPORTANT

- Please label your students water bottles, backpacks, lunchboxes and snack! **OPEN HOUSE: Tuesday 30<sup>th</sup> from 5:00-6:30pm**
