Writing

This week we will be working on the fundamentals of a complete sentence. The students will be working on writing at least 3 complete sentences. Every sentence should start with a capital and end with a period.

Family fun:

See if you can make a sentence one word at a time from each family member.

Literature

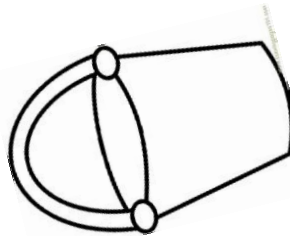

We will be reading about going to the beach. With this story we will be working on sequencing and retelling the parts of a story.

We will also be working with phonemic sounds and rhyming words.

Family fun: Talk about what you would want to do at the beach for a day!

Math

We are working on graphing and number order. The students are working on greater than and less than. **Family fun:** Have your student teach you the game greater than. You will need a set of playing cards to play this game. It is just like the card game WAR.
