- > Pencil pouch or case

Class wish list:

- > Disinfectant wipes
- > Tissues
- > Paint
- > Paint brushes
- > Newspaper
- > Styrofoam balls
- > Any other materials students can use for science and engineering.

Hello, nice to meet you!

I am Mrs. Acevedo, and I will be your student's 5th grade teacher. I have worked in all levels of the k-12 system, as well as will college students in math and science. I graduated from UA with my MS as a trained wildlife biologist (bird focused). I bring a science and research driven perspective to my classroom. I am super excited to work with your children this year. It's going to be a great one!

Schedule

7:45 - 8:00	Morning Meeting
8:00 - 9:00	English Language Arts
9:00 - 9:30	Book Club
9:30 - 10:00	Writing
10:00 - 10:15	Morning Math Routine
10:15 - 10:45	Recess
10:50 - 11:45	Math
11:50 - 12:25	Lunch
12:30 - 1:30	Science / Social Studies
1:40-1:50	End of the Day Meeting
1:55	Dismissal

Homework

Students will have a monthly take home project to complete and are expected to complete all incomplete class assignments and projects at home. We will be using my class Khan Academy page where students can practice math skills taught in class and display mastery. I will be meeting with students daily to check for progress.

Homework and Extra Math Support

Curriculum

I will be following the Tucson Unified planning guides for all subjects. This includes using:

- Benchmark Advanced for Reading
- Eureka for Math
- FOSS for Science
- National Geographic Society for Social Studies
- Spelling words from Trophies

This year we will use a variety of resources, books, and other tools to master the standards expected from the students.

Other tools we will be using:

- Canvas

Snacks

Because of our late lunch time, students are encouraged to bring a small snack to hold them over. They will be eating during recess

Suggestions are: Go-gurt, Chips, Crackers, Fruit Gummies, Juice Box, or Water.

School Expectations

Be Safe

Be Responsible

Be Respectful

Believe in Yourself

Remind

This year, I will be using a program called Remind to send out general class information. If need you can also send a message through the app.
