Homework

Spelling & Math Facts Every Night!

Homework is meant to be extra practice to reinforce skills that we are working on, however it should not take hours or be too difficult that your child cannot complete it without a bit of support. Homework will be assigned at the beginning of the week & written in the agenda.. Often Homework will be any work that was not completed during the school day.

Curriculum

I will be following the Tucson Unified planning guides for all subjects. This includes using:

- Benchmark Advanced for Reading
- Eureka for Math
- FOSS for Science
- National Geographic Society for Social Studies
- Spelling words from Trophies and Dolch sight words

This year we will use a variety of resources, books, and other tools to master the standards expected from the students.

Other tools we will be using:

- Canvas
- Imagine Learning
- Clever
- Prodigy
- IXL / ST Math

Snacks

Because of our late lunch time, students are encouraged to bring a small snack to hold them over. They will be eating during recess *Suggestions are: Go-gurt, Chips, Crackers, Fruit Gummies, Juice Box, or Water.*

School Expectations

Be Safe

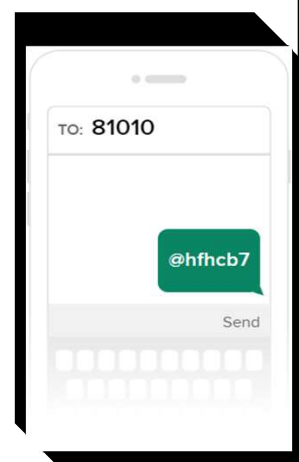

Be Responsible

Be Respectful

Believe in Yourself

Remind

This year, I will be using a program called Remind to send out general class information. If need you can also send a message through the app.
